EXPERIENCE

Employment & Outreach Specialist Apr 2026 – present
Chinatown Service Center · Los Angeles, CA

- Provide individualized employment counseling — career assessments, employment planning, resume and cover letter preparation, interview coaching, and online job search — to LEP job seekers in English, Mandarin, and Cantonese; connect participants to hiring employers and training opportunities
- Develop and facilitate bilingual workshops on job search, resume writing, interview skills, career pathways, and worker rights; conduct outreach at job fairs, community events, and partner sites to expand access among immigrant and underserved populations
- Built bilingual digital tools for the program — WorkKit staff toolbox (166 resources, 14 AI prompts), 5 workshop decks + hub, a Frontdesk Sign-In kiosk, a trilingual Workforce Intake form (digital signature), and a Career Compass assessment — digitizing paper client intake and outcomes documentation

Prototype Fellow 2026 – present
Frontier Commons Innovation Lab

- Prototype and ship AI-driven web tools for international student welcome flows, campus missionaries, and church ministry teams — including Welcome Hub, ISM In A Box, Ministry Starter Pack, and Uncover

ESL / Kindergarten Teacher 2008 – 2025
SMIC Private School · Shanghai, China

- Taught multilingual K–8 classrooms (20–25 students); developed bilingual lesson plans for English Language Learners
- Led adoption of Google Classroom, Canvas, SMART Boards, and Nearpod for interactive, paperless instruction
